EXPERIENCES

Enlaye | Boston, MA (Harvard Innovation Lab)

Jul – Dec 2025

UI/UX Intern

- Led user-centered design of company's first mobile AI feature. Created **user journey maps** and interactive **Figma prototypes**.
- Secured dev approval for **9+ features as sole designer**. Conducted **user interviews** and presented rationale to CEO/CTO.
- Redesigned main website from scratch in **Framer**: analyzed competitor websites, proposed rebranding, trained CEO on Framer.
- **Acquired 3 enterprise customers** demoing my designs. Used feedback to iterate on roadmap. Defined PRDs and **user flows**.

ReCo Digital | Sydney, NSW

Feb 2025 – Jun 2025

AI Product & UX Intern

- Led UX design for Shopify AI customer discovery project, defining scope and pain points through **stakeholder interviews**.
- Got stakeholder buy-in for full development: created user journey maps and **wireframes** that demonstrated concept feasibility.
- Delivered full-featured **MVP** to client in four weeks: designed, implemented, and deployed AI sustainability analytics solution.
- Aligned team on dev roadmap: developed research strategy, analyzed interviews (**Dovetail, Miro**), evaluated feature trade-offs.

Popple | Boston, MA

Nov 2023 – May 2025

UI/UX Designer & Product Lead

- Drove **20% MoM growth**; expanded user base from **100 to 3000+** by leading User Growth of MassChallenge startup.
- Won **UX Standout Award** in BU Spark! Launch Lab by creating **40+ Figma mockups** as sole UX designer.
- Spearheaded V3 which **increased event turnout by 32%**: strategized product pivot, conceptualized and prototyped search experiences, authored **user stories**, guided feature prioritization, designed recommendation engine and discovery experiences.
- Accepted into Innovation Pathway, Hult Prize National Finals, and reached Techstars NYC final round. Acquired by Voodoo.

Hult Prize | Boston, MA

Nov 2023 – May 2025
